Our Signature Massages...

80 minutes

The Amerispa Massage

Flowing, stimulating and careful movements provide a deep connection with oneself, as well as great relaxation. Live a precious moment of great satisfaction with this massage. Let yourself be carried away by the music, the fragrances and the shimmering radiance, for a true sense of pleasure. A holistic experience, bound to lead you to a state of balance and harmony. An invitation to fully live the present moment. A massage specially designed by our creative team, while respecting the Amerispa know-how.

Elixir Ice Cider Massage

50, 80 or 110 minutes

Render to the forbidden fruit

A relaxation massage, providing all the benefits that ice cider has to offer. Incredible infusion of vitamins and minerals. Complete this treatment with our Signature Elixir Ice Cider Body Wrap.

Bamboo Extract Massage

50, 80 or 110 minutes

Guaranteed well-being and serenity

Taste the intense pleasure of a traditional massage combining recognized techniques with the effectiveness of bamboo, lotus and water-lily extracts.

Remineralizing Clay Massage*50, 80 or 110 minutes**Calming and beneficial*

A relaxing and revitalizing massage, which stimulates circulation while transmitting all the properties of clay and its minerals to the body. A calming and moisturizing effect, all at once!

Warm Aromatic Oil Massage*50, 80 or 110 minutes**A cocktail for the senses*

A relaxation massage intensified by adding essential oils that correspond to specific needs (relaxing, muscular tension, or revitalizing). The aromatic properties of blended flowers associated with massage therapy highly contribute to well-being.

*The Essentials....***Warm and Cold Basalt Stone Massage***100 minutes**A joyful experience*

A massage given according to an ancestral ritual. The therapist will practice a particular method, using warm stones for deep muscle relaxation, and cold stones to reduce inflammation. These movements are combined with a warm and sumptuous massage oil.

Rain Massage*50 minutes**The ultimate experience*

A warm and captivating shower massage, promoting muscle relaxation while improving both the blood and lymphatic circulations.

Warm Pebble Massage*50 minutes**A unique relaxation moment*

Immerse in a profound state of relaxation. This massage will provide deep muscle relaxation. Warm stones that gently caress your skin from head to toe accompany the manoeuvres of this massage.

Tandem Massage

50, 80 or 110 minutes

Twice as good

With the exception of the Rain Massage and the 4-Hand Massage, all other massages may be performed in pairs, in a room provided for this purpose. You may enjoy this exceptional relaxation moment with someone special. It is also a nice way to initiate your child to the benefits of massage therapy.

4-Hand Massage

50, 80 or 110 minutes

Dual well-being

A massage that doubles the effects of rest and relaxation. The rhythmic movements and synergy of the two therapists will bring you an exceptional moment of well-being.

Relaxation Massage

50 or 80 or 110 minutes

Calm and relaxing

A relaxing massage providing total relaxation of your body and soul.

Feet Massage

25 or 50 minutes

Definite relaxation

A violet clay massage that starts at the tip of the foot and goes all the way to the knee. Ideal for people suffering from foot pain, and those with insufficient circulation with swelling and heavy leg syndrome.

The Specialised....

Therapeutic Massage

50, 80 or 110 minutes

Tailored massage

A massage tailored to you specific needs. It will provide a tangible improvement to your physical tension problems due to stress and today's hectic lifestyle.

Sport Massage

50 or 80 minutes

For active bodies

Necessary for all athletes, before or after practicing their favourite sport! Before physical effort, a preparatory component, to warm-up the muscles in order to prevent possible musculoskeletal injuries, due to sudden movements, and after physical effort, a recuperating component, with manoeuvres that allow the draining of toxins which often bring about muscle soreness the day after.

Deep Tissue Massage

50 or 80 minutes

Deep and stimulating

A deep, penetrating massage that releases tensions and muscle pain that often limit body movements. Draining and stimulating, it will be of great relief for people suffering from chronic muscle pain.

Mother-to-be Massage

50 minutes

A bonding moment

A massage specifically designed in an all-comfort environment for expecting mothers. It encourages relaxation while reducing tensions, which often accompany pregnancies. The use of neutral oil (no essential oil) is beneficial for back, spinal and leg pains.

Stretching Massage

50 or 80 minutes

Dynamic and toning

A toning massage, encouraging muscle and joint stretching, in order to release the body of its tensions, hence, regaining greater freedom of movement.

Lymph-Drainage Massage

50 or 80 minutes

Purifying and stimulating

Light, slow and fluid movements that activate the immune system, eliminate toxins and reduce water retention in the legs, arms and face. This massage will help people suffering from oedema, headaches and fatigue.

For You Gentlemen

Customized treatments to fit your needs and requirements in terms of well-being, relaxation and comfort. Here are some propositions that you are sure to enjoy....

Body Treatments

Body Exfoliations

The perfect introduction to our body wraps

Our Signature Exfoliations...

Elixir Ice Cider Exfoliation

50 minutes

This treatment begins with an exquisite body exfoliation to get rid of all dead cells. A light modelage follows, to moisturize, nourish and firm the skin. This exfoliation will lavish your senses with its wonderful smell and its synergy between marine minerals and polyphenols.

3-Tea Exfoliation

50 minutes

Throughout this exfoliation, your dead skin cells will be eliminated with the help of a special blend of black, green and white tea leaves, sea salt and precious oil. A modelage concludes this unique treatment.

Water Flower Polishing Scrub

50 minutes

This scrub gently smoothes the skin's texture without drying it. The hydrating virtues of bamboo, lotus and water lily will make your skin regain its softness and glow. A hydrating mist that will wrap your skin in a water flower fragrance is then applied.

The Essentials...

Marine Body Scrub*50 minutes*

A special scrub that is rolled onto your skin, eliminating all traces of dead skin cells and impurities, while stimulating blood circulation. It will restore your skin's brightness and purity. At the end of the treatment, a body milk containing sea cabbage, avocado oil and vitamin E, will leave your skin simply delightful. To maximize the results, combine it with the Algae Body Wrap.

Citrus Crystals Exfoliation*50 minutes*

The stimulating effects of exfoliation, combined with citrus crystals, will energize both your body and mind. Overflowing with vitamins, your skin will be dazzling and soft to the touch. A succulent olfactory moment!

Body Wraps

All our body wraps include a head massage...

a wonderful, relaxing moment!

Our Signature Body Wraps...

Elixir Ice Cider Body Wrap*50 minutes*

An all-over application of a warm gel mask brings a strong concentration of nutrients, vitamins and minerals. An incredible anti-aging infusion for healthy, revitalized and balanced skin. To maximise the benefits of the body wrap, our Signature Elixir Ice Cider Exfoliation is recommended.

3-Tea Body Wrap*50 minutes*

Just like a warm and comfortable cocoon, you will be wrapped in a 3-tea cream mask with detoxifying, toning and antioxidant properties. A modelage concludes this unique treatment.

Water Garden Body Wrap*50 minutes*

Take your body on a hydrating and comforting journey through Asia, with bamboo, water-lily and lotus extracts. An absolute hydrating experience, this aquatic-plant cocktail calms and softens the skin for total well-being. This body wrap is gentle enough for expecting mothers, as well as for people who are sensitive to essential oils.

The Essential...

Algae Body Wrap

50 minutes

An actual infusion of vitamins and proteins, this treatment is rich in trace elements and mineral salts, both necessary to the body's balance.

Specialised Body Treatments

Back Therapy Treatment

50 minutes

A treatment that relieves back tensions and is both remineralizing and anti-inflammatory. The application of a pain-relieving thermal poultice is particularly appreciated and efficient with people suffering from sciatica. This treatment ends with a back massage to promote total muscle relaxation.

Legs and Feet Delight

50 minutes

A soulful moment to give your tired feet and legs a break. A moisturizing, nourishing and relaxing treatment, perfect for people constantly working in a stationary position, whether standing or sitting, after a sports activity or shopping. One more step towards well-being.

Revitalizing Leg Break*20 minutes*

This treatment relieves tired legs and helps reduce swelling due to water retention. The legs are inserted into long boots that inflate successively from bottom to top in order to create a draining effect, which stimulates blood and lymphatic circulation. Accompanies all other treatments perfectly.
