Wine Program

Auberge Godefroy

Our wine program reflects a thoughtful balance
between Canadian terroir and
the great classical wine regions of the world.

With a strong foundation in Québec, Ontario,
and British Columbia, we are proud to highlight
the evolution and quality of Canadian viticulture.
Alongside these selections, our cellar features
a curated representation of France and Italy,
with particular depth in Bordeaux, Burgundy,
Piedmont, and Tuscany, complemented by
expressive wines from Spain, Germany,
Austria, and the New World.

The list has been designed to complement
our culinary philosophy — structured, seasonal, and
terroir-driven — offering both approachable bottles
and mature vintages for collectors and
enthusiasts alike.

Our wines are stored in temperature-controlled
conditions and served with professional glassware
to ensure optimal expression in every glass.

We invite you to explore a program built on balance,
authenticity, and the pleasure of discovery.
